*I am not ashamed of the gospel, because it is the power of God for the salvation of everyone who believes: first for the Jew, then for the Gentile. For in the gospel a righteousness from God is revealed, a righteousness that is by faith from first to last,<sup>a</sup> just as it is written: "The righteous will live by faith."*

Romans 1:16-17 NIV

## **Recent E-mail from Jim** (March 6, 2008)

We went Monday to see the children of a divided family who were regular and active in the church here. They were living with their father and now are living with their mother in Paraiso, which is about two hours from here. It was a surprise visit. The oldest sister has memorized many chapters of the Bible and recited 1 Corinthians 13 at the Congresso in São Luis.

They were glad to see us and are very homesick for the church here. Their father said that in August he plans on bringing them back here and they are looking forward to it. Their names are Monike, Melquisedek, and Micaela.

After visiting them we went to Palmas, where we stayed the night in a hotel and then visited another member of the church, Magda, the next morning. She is the oldest girl of a family that each of the 3 children have a different father, none of which live with their mother. I think she is 18. She also has memorized several chapters and was very glad to see us.

We left Palmas on Tuesday morning, and arrived in Guarai by about 1:30. Maria Felix got a call from her sister who lives north west of here, saying that they will be arriving this evening. We went out and caught a chicken and she is preparing it now. I have a class this evening with two young men.

It has been raining every day, but not any great downpours as is common this time of year. I am to try to go to Marabá this month and will probably go on up to Belém.

I got some good news from Marabá. I had been paying part of the support of the preacher there. They have been diminishing what I pay and now I don't pay anything. The church there is taking care of it all. That is what we are trying to get the churches here to do. An elderly woman there is ill and I want to see her. She is the one that helped get the church started there and when I go there she always wants me to stay with her.

# 2007 Brazil Evangelism Financial Report

Financial Report Continued

With the passing of Stanley this was the most complete financial report I was able to do for last year. As Stanley explained last year about the 2004 S-10, vehicles are very expensive there and cannot be shipped from the U.S. The S-10 was paid for in Feb. 2007.

If you have any questions regarding this report please don't hesitate to get in contact with me. We thank you and may Jesus be praised for your prayers and support last year and all-ways.

## Brazil Evangelism Web Site

If you haven't had a chance to visit the new web site now would be a great time to check it out. There is more information going on the site each month. Presently Jim has sent me more pictures and information to put on the site, however time hasn't allowed me to get all of it up.

Now through the web site you can get into contact with Jim and myself, you can make donations to Brazil Evangelism through the web site as well. There is some Brazil Evangelism history on the site and soon I will be putting up more detailed history throughout the years of Jim's ministry and I will be putting pictures on the site as Jim sends them to me. I will try to keep the most up to date information on the web site. So if you haven't checked it out yet, now would be a great time to do so.

## Address Change

We want to remind everyone again of the address change for donations. Last month there were several donations sent to the Georgia White's address. We hope that the envelopes with the return address on them was a help! The new address is:
